

EDS Advanced Solutions Becomes Advanced Solutions, An HP Company

For Immediate Release:

10:00 am Pacific Time, Monday, January 25, 2010

VICTORIA, British Columbia, Canada – EDS Advanced Solutions Inc (EAS), a subsidiary of Hewlett Packard (Canada) Co., announced a name change today, that EDS Advanced Solutions will become - Advanced Solutions, An HP Company.

Advanced Solutions helps government clients transform and improve their business operations through Information Technology, Business Processing and Application Services. Incorporated in 2004, the company has created a labour-friendly unionized working environment with more than 400 employees and industry-leading business partners.

“As part of HP Canada, we are a strong combination of excellent service delivery and leading IT technology,” said James Hamilton, president and CEO, Advanced Solutions, An HP Company. “Comprehensive solutions are what our clients need today to provide increasing levels of excellence to citizen-centered services. We’re now in a position to offer our clients our own award-winning services plus the offerings of HP Canada’s portfolio of technology.”
